

# **Faculty Award**

## **Faculty of Science, University of Kelaniya, Sri Lanka**

### **1. Introduction**

Most students who enter the Faculty of Science, University of Kelaniya are engaged in various academic and extracurricular activities and demonstrate exceptional talents. These activities enrich students' skills and values and also help them to build their confidence.

Hence, the Faculty of Science wishes to initiate an award scheme to recognize students for their outstanding performances, in both academic and extracurricular activities. This will help to empower them and help them to recognize their potential. This award will give them confidence and assist them in their career progression.

The objective of awarding the Faculty Award is to recognize highly motivated students who are equally talented in academic and extracurricular activities. Apart from academic merit, other areas of consideration are;

- exceptional leadership
- community service and good studentship
- outstanding talents in fields of sports
- creativity and exceptional ability in aesthetic or technical fields
- research or pursuing new knowledge.

Students who are **not** involved in any type of disciplinary action qualify to apply for the awards at the end of each academic year. The Dean of the faculty will announce the call for applications and the deadline to submit the applications. Undergraduates registered at the Faculty of Science are eligible to apply for the award.

Faculty Awards shall be awarded to the overall best-performing students of each academic programme in the faculty, at the end of each academic year.

The best five outstanding students of each academic programme shall be selected based on the guideline described below.

### **2. Application Procedure**

- The Dean of the faculty shall call for applications at the end of each academic year.
- Any student who believes that he/she is eligible can apply for the Faculty Awards.
- The application form will serve as a tool for assessment against established evaluation criteria.
- Application forms can be downloaded from the Faculty of Science website.
- Students shall submit certified copies (certified by the senior academic advisor) of all the documentary evidence with the application.
- Students shall submit their applications through the Senior Academic Advisor of their respective programme who shall certify the contents of the applications.
- Students shall prepare and participate in an interview if the selection panel requests.

### **3. Eligibility Requirements**

- The applicant should be an undergraduate student registered to follow any degree programme offered by the Faculty of Science for the academic year under consideration.
- The applicant shall have completed all the academic requirements of the considered year, including all the compulsory courses.
- The applicant shall have a GPA of 3.30 or above in each semester.
- For an application to be considered for the evaluation, the applicant should have **at least 70% of the total marks** for the application.
- *Students shall be considered ineligible to apply for this award,*
  - *If the student has obtained an improved grade/grades by subsequently repeating a module/ modules.*
  - *If any disciplinary action has been taken against the student by the Vice-Chancellor or Deputy Vice-Chancellor for any misconduct.*

### **4. Appointment of a Selection Committee**

- A Selection Committee consisting of 5 members shall be appointed by the Senate under the Chairmanship of the Dean of the Faculty.
- The other members shall be two Senate members from the relevant Faculty and two Senate members from another faculty/faculties.
- The Selection Committee shall be responsible for organizing the selection process and final decision on recipients.

### **5. Selection Criterion**

The best five students from each academic programme will be selected respectively from each batch in each academic year.

#### ***Academic Achievements (60%)***

Applicants who have obtained a GPA above 3.30 will be considered for the evaluation,  
The marks of a particular GPA will be calculated as

$$\text{Marks of the Applicant} = (\text{GPA of the Applicant} / 4.00) * 60$$

#### ***Extracurricular Activities (40%)***

Any achievement considered under this category should be within the period of the academic programme and can be recounted in consecutive years throughout the programme.
